Therefore, so that the HA can properly evaluate the offers received, all proposals submitted in response to this RFP must be formatted in accordance with the sequence noted following. Each category must be separated by numbered index dividers (which number extends so that each tab can be located without opening the proposal) and labeled with the corresponding tab reference also noted below. None of the proposed services may conflict with any requirement the HA has published herein or has issued by addendum.

3.1.11. **Proposal Submittal Binding Method:** It is preferable and recommended that the proposer bind the proposal submittals in such a manner that the HA can, if needed, remove the binding (i.e. "comb-type;"

etc.) or remove the pages from the cover (i.e. 3-ring binder; etc.) to make copies then conveniently return the proposal submittal to its original condition.

- 3.2 Entry of Proposed Fees:** The proposed fees shall be submitted by the proposer and received by the HA where provided on the attached Cost Form only. A proposer must enter a proposed fee for each item—a “No Proposal” will not be allowed for any item, though a “No Charge” will be allowed for certain items. The proposed fees submitted by each proposer are inclusive of all necessary costs that the Contractor will incur to provide the proposed services not otherwise provided for herein, including, but not limited to: employee costs and benefits; clerical support; overhead; profit; supplies; materials; licensing; insurance; etc.

3.3 Additional Information Pertaining to the Pricing Items:

- 3.3.1 Quantities:** All quantities entered by the HA herein are for calculating purposes only. As may be further detailed herein, the HA does not guarantee any minimum or maximum amount of work as a result of any award ensuing from this RFP, as the ensuing contract will be a Requirements Contract, in that the HA shall retain one contractor only and shall retain the right to order from that contractor (successful proposer), on a need order basis, any amount of services the HA requires.

- 3.3.1.1 Assumption:** It shall be the HA’s assumption that the successful proposer has based his/her proposed pricing for Base Bid services upon the proposed hourly rates submitted by the proposer (and by submitting a proposal in response to this RFP, the successful proposer automatically agrees that such is accurate). Accordingly, the HA may use such assumption, if necessary, to do any lump-sum proposal breakdown calculations during the term of the ensuing contract.

- 3.4 Proposal Submission:** All pricing must be entered where provided on the Cost Form. All “hard copy” proposals must be submitted and time-stamped received in the designated HA office by no later than the submittal deadline stated herein (or within any ensuing addendum). A total of 1 original signature copy (marked “ORIGINAL”) and 3 exact copies (each of the 4 separate proposal submittals shall have a cover and extending tabs) of the “hard copy” proposal submittal, shall be placed unfolded in a sealed package and addressed to:

Woonsocket Housing Authority
Attention: Karen Bruyere
Procurement Specialist
679 Social Street
Woonsocket, RI 02895

The package exterior must clearly denote the above noted RFP number and must have the proposer’s name and return address. Proposals received after the published deadline will not be accepted.

3.4.1 Submission Conditions: DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the HA by the proposer, such may invalidate that proposal. If, after accepting such a proposal, the HA decides that any such entry has not changed the intent of the proposal that the HA intended to receive, the HA may accept the proposal and the proposal shall be considered by the HA as if those additional marks, notations or requirements were not entered on such. By accessing the www.woonsockethousing.org Internet System and downloading these documents, each prospective proposer that does so is thereby agreeing to confirm all notices that the HA delivers to him/her as instructed, and by submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this RFP.

3.4.1 Submission Responsibilities: It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the HA, including the RFP document, the documents listed within the following Section 3.6, and any addenda and required attachments submitted by the proposer. By virtue of completing, signing and submitting the completed documents, the proposer is stating his/her agreement to comply with the all conditions and requirements set forth within those documents. Written notice from the proposer not authorized in writing by the CO to exclude any of the HA requirements contained within the documents may cause that proposer to not be considered for award.

3.5 Proposer's Responsibilities—Contact with the HA: It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFP process to the CO only. Proposers must not make inquiry or communicate with any other HA staff member or official (including members of the Board of Commissioners) pertaining to this RFP. Failure to abide by this requirement may be cause for the HA to not consider a proposal submittal received from any proposer who may has not abided by this directive.

3.5.1 Addendums: All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the CO will NOT conduct any *ex parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the RFP are made—between the HA and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the CO—it simply means that, other than making replies to direct the prospective

proposer where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective proposer's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective proposers in writing by addendum.

- 3.6 Recap of Attachments:** It is the responsibility of each proposer to verify that he/she has downloaded the following attachments pertaining to this RFP, which are hereby by reference included as a part of this RFP:

[Table No. 5]

NO.	MAX POINT VALUE	FACTOR TYPE	FACTOR DESCRIPTION
1	40 points	Objective	The PROPOSED COSTS the proposer proposes to charge the HA to complete the required work.

3	10 points	Subjective (Technical)	The APPROPRIATENESS of the TECHNICAL APPROACH (including labor categories, estimated hours and skill mix) and the QUALITY of the WORK PLAN .
4	15 points	Subjective (Technical)	The proposer's TECHNICAL CAPABILITIES (in terms of personnel, equipment and materials) and the MANAGEMENT PLAN (including staffing of key positions, method of assigning work and procedures for maintaining level of service, etc.).
5	20 points	Subjective (Technical)	The proposer's DEMONSTRATED EXPERIENCE in performing similar work and the proposer's DEMONSTRATED SUCCESSFUL PAST PERFORMANCE (including meeting costs, schedules and performance requirements) of contract work substantially similar to that required by this solicitation as verified by reference checks or other means.

	100 points	100 points	Total Points (other than preference points)

4.2 Evaluation Method:

- 4.2.1 **Initial Evaluation for Responsiveness:** Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The HA reserves the right to reject any proposals deemed by the HA not minimally responsive (the HA will notify such firms in writing of any such rejection).
- 4.2.2 **Evaluation Packet for Proposals Deemed Responsive:** Internally, an evaluation packet will be prepared for each evaluator, including the following documents:
- 4.2.2.1 Instructions to Evaluators;
 - 4.2.2.2 Proposal Tabulation Form;
 - 4.2.2.3 Written Narrative Justification Form for each proposer;
 - 4.2.2.4 Recap of each proposer's responsiveness;
 - 4.2.2.5 Copy of all pertinent RFP documents.

- 4.2.3 Evaluation Committee:** The HA anticipates that it will select a minimum of a three-person committee to evaluate each of the responsive “hard copy” proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As detailed within Section 3.5 of this document, the designated CO is the only person at the HA that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.
- 4.2.4 Evaluation:** The CO will evaluate and award points pertaining to Evaluation Factors No. 1 (the “Objective” Factors). The appointed evaluation committee, independent of the CO or any other person at the HA, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors No. 2, 3, 4, 5 and 6 (the “Subjective” Factors). Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CO.
- 4.2.5 Potential “Competitive Range” or “Best and Finals” Negotiations:** The HA reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a “Best and Finals” Negotiation, which may include oral interviews, with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such in writing by the HA in a timely manner as possible, but in any case within no longer than 10 days after the beginning of such negotiations with the firms deemed to be in the competitive range.
- 4.2.6 Determination of Top-ranked Proposer:** Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by the CO to determine the final rankings, which is typically forwarded by the CO to the ED for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the HA's option, be conducted prior to or after the BOC approval.
- 4.2.6.1 Ties:** In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by “drawing lots or other random means of selection.”
- 4.2.6.2 Minimum Evaluation Results:** To be considered to receive an award a proposer must receive a total calculated average of at least 70 points (of the 100 total possible points detailed within Section 4.1 herein).

- 4.2.7 Award Recommendation:** It is anticipated that the final rankings will be forwarded to the HA Board of Commissioners (BOC) at a regularly scheduled board meeting for approval. The HA BOC will then make its determination as to whether or not to follow the evaluation committee's recommendation. Contract price negotiations may, at the HA's option, be conducted prior to or after the BOC approval.
- 4.2.8 Notice of Results of Evaluation:** If an award is completed, proposers may request to receive e-mail a Notice of Results of Evaluation. Such notice shall inform all proposers of:
- 4.2.8.1** Which proposer received the award;
 - 4.2.8.2** Where each proposer placed in the process as a result of the evaluation of the proposals received;
 - 4.2.8.3** The cost or financial offers received from each proposer;
 - 4.2.8.4** Each proposer's right to a debriefing and to protest.
- 4.2.9 Restrictions:** All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the HA evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the HA evaluation committee.

5.0 CONTRACT AWARD:

- 5.1 Contract Award Procedure:** If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:
- 5.1.1** By completing, executing and submitting the Form of Proposal, Attachment A, the "proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the HA, either in hard copy or on the www.woonsockethousing.org website," including the contract clauses already attached as Attachments F, F-1, and F2. Accordingly, the HA has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.
- 5.2 Contract Conditions:** The following provisions are considered mandatory conditions of any contract award made by the HA pursuant to this RFP:
- 5.2.1 Contract Form:** The HA will not execute a contract on the successful proposer's form--contracts will only be executed on the HA form (please see Sample Contract, (Attachments F, F-1, and F-2), and by submitting a proposal the successful proposer agrees to do so (please note that the HA reserves the right to amend this form as the HA deems necessary). However, the HA will during the RFP process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to

include therein and submits in writing a request for the HA to do so; but the failure of the HA to include such clauses does not give the successful proposer the right to refuse to execute the HA's contract form. It is the responsibility of each prospective proposer to notify the HA, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The HA will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the HA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

5.2.1.1 Please note that the HA has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

5.2.2 **Assignment of Personnel:** The HA shall retain the right to demand and receive a change in personnel assigned to the work if the HA believes that such change is in the best interest of the HA and the completion of the contracted work.

5.2.3 **Unauthorized Sub-Contracting Prohibited:** The successful proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without the prior written consent of the CO shall be void and may result in the cancellation of the contract with the HA, or may result in the full or partial forfeiture of funds paid to the successful proposer as a result of the proposed contract; either as determined by the CO.

5.3 **Contract Period:** The HA anticipates that it will initially award a contract for the period of 1 year with the option, at the HA's discretion, of 4 additional one-year option periods, for a maximum total of 5 years.

5.4 **Licensing and Insurance Requirements:** Prior to award (but not as a part of the proposal submission) the *successful proposer* will be required to provide:

5.4.1 An original certificate evidencing the proposer's current industrial (worker's compensation) insurance carrier and coverage amount;

5.4.2 An original certificate evidencing General Liability coverage, naming the HA as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of the HA as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$5,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a deductible of not greater than \$1,000;

5.4.3 An original certificate showing the proposer's professional liability and/or "errors and omissions" coverage (minimum of \$1,000,000 each occurrence,

general aggregate minimum limit of \$5,000,000), with a deductible of not greater than \$1,000;

5.4.4 An original certificate showing the proposer's automobile insurance coverage in a combined single limit of \$1,000,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$50,000/\$100,000 and medical pay of \$5,000.

5.4.5 A copy of the proposer's business license allowing that entity to provide such services within the State of Rhode Island;
